Dr. Paul L. Errington
Zoology Department
Iowa State College
Ames, Iowa

Dear Paul:

I didn't know that the horned owl bulletin was off the press. I haven't read it yet, but will do so very shortly.

If you can spare them, I am sure that I want 10 for graduate students and library, 40 for class, total 50. Is this too many? If not, I will be much pleased to have them.

Sincerely yours,

A handwritten signature in dark ink, reading "Aldo Leopold". The signature is fluid and cursive, with a horizontal line under the name and a small mark at the end.

Aldo Leopold
Professor of Wildlife Management
