Dr. Paul Errington  
Iowa State College  
Ames, Iowa

Dear Paul:

Thanks very much for the generous supply of bulletins. I am handing them out at Kumlien Club and seminar and shall use them in class.

I am going to announce in the next News Letter that I have copies, but I intend no blanket distribution. Hence I may end up with some extras which you may, of course, draw on.

Hoping to see you at Urbana, I am

Yours as ever,

Aldo
