Professor Paul Errington  
Iowa State College  
Ames, Iowa

Dear Paul:

Thanks for sending me the parable. I read it with great interest and like it. Sometime when we can talk at length, I might venture a theory as to why it was turned down, and the same theory may account for some of my own turn-downs.

With best regards,

*Aldo*

Aldo Leopold

P.S. We have used as many copies as we are likely to of "Objectives in Civil Service", and are returning our extra copies to you under separate cover.
