Mr. Walter Scott
Conservation Department
State Office Building
Madison, Wisconsin

Dear Walter:

I enclose the short article I promised you for the Conservation Bulletin giving the highlights of last winter's census work on the Prairie du Sac Area.

As supervisor of the project, I suggest you appear as author of this little squib. I simply drafted it in order to save your time, but naturally would be glad to have you alter it in any manner you see fit.

I will shortly send you Gastrow's records in accordance with the usual procedure. Will you show this to Earl Loyster, who I understand you have delegated as your representative for this area?

With best regards,

Aldo Leopold
Professor of Wildlife Management
