Mr. Herbert Stoddard
Sherwood Plantation
Thomasville, Georgia

Dear Herbert:

Much to my gratification Paul has approved banding the
Prairie du Sac quail. We will get some banding done
even if we have to do it afoot.

Estella wanted me to tell you that we appreciated your
Christmas card.

I hope very shortly to send you a draft of the paper
Paul and I are writing on Prairie du Sac. We will value
your advice if you have time to take a brief look at it.

My "turkey talk" with Starker was very interesting.
He has learned more and has more data than I had hoped.

With best regards,

Yours as ever,

Aldo Leopold
