Mr. Herbert Stoddard  
Sherwood Plantation  
Thomasville, Georgia

Dear Herbert:

Our friend, Albert Gastrow, was operated on about the first of the month, but I only learned about it today. He is doing well, and there seems no occasion for worry. I thought you would want to know so that you could drop him a line. I am also telling Paul Errington and Cyril Kabat.

There's still winter here. I never saw such a season.

Yours as ever,

*also Leopold*
