Dear Paul:

Thanks very much for sending me the ^{clipping} ~~reprint~~ on
Pollution from Science. I haven't read it yet
but it's time that someone wrote such a paper.

Cyril was very much pleased to receive your
inscribed copy of the Prairie du Sac paper. He
is a good boy and I hope you can meet him before
too long. I think you will like him.

Thanks very much for the batch of ^{Prairie du Sac} reprints. I
realize that these are expensive and I shall be
conservative in distributing them. You might let
me know whether and of your personal friends in
Madison have been sent copies so I will not
duplicate.

Give my love to Caroline and Peter.

Yours as ever,

Aldo
