Dear Paul and Carolyn —
I greatly appreciate
your hospitality — intellectual and otherwise — to
my two wandering bags. I knew you would
give them a lot of good technical advice, but
I certainly did not expect you and Carolyn
to open your house to them. It was generous
in both of you, and I hope you will both
accept my personal thanks.

Steve has told me about the ideas that
were discussed, and they enthuse me to a
greater degree than I anticipated.

Are you going to AOU at Urbana?
Herbert S. will be there, also I am my. I am going —
changed my mind when I heard from Herbert.

My love to Carolyn
Yours ever
Aldo
