Iowa State College  
Ames, Iowa

Dear Paul:

Can you by this time give me the extension of the table (page 422 of your bulletin) from April, 1936, to April, 1938? I would like to include this in the news letter now in preparation so that the whole record to date will be available in published form and in no danger of being lost.

How will we carry Gastrow next winter? My own funds have shrunk to just enough for the office overhead plus one fellowship for Hamerstrom. I have no assistantships and no private donations. I of course will continue Gastrow even if I have to do it myself, but I thought I would mention the prospective difficulty at this time in the event you had any chance to throw in. I am not assuming that you have.

With best regards,

Yours sincerely,

Aldo
