Miss. Ada Hayden,  
Fort Collins, Colo.

Dear Miss Hayden:

Thank you for your letter of recent date which came this morning, and for the address of your uncle at Houston, Texas.

I went over with Dean Beyer the matter of a raise in your salary. He said it would be impossible to grant any increase in your case.

Therefore, the only thing to do is to get a more remunerative position where your talents would be appreciated. I am exceedingly sorry that this is the case, as I feel that you have done so much for the department. I feel that this is the only way out of the situation, although I would be sorry to lose you from the staff. Your work has always been very satisfactory.

If you will write me sufficiently early Miss Tiernan will be able to forward the letters. I will be at Fort Bayard, New Mexico, c/o Doris M. Pammel about August first and at Patterson, California, c/o Ray Needham about the 7th. or 8th. of August. If I can write any letters for you I will be glad to do so.

Thanking you for your good wishes relative to my trip, I am,

Yours truly,

P/T.
