

Dr. L. H. Pammel.

Ames. Iowa.

3 file.

Dear Dr. Pammel: — I did not talk
with you in regard to the drawings before leaving
Ames, but I wonder if you will
see that I have a list of the plants to
be drawn? I understood that the
material will be furnished so that I
will not need to take time to find it.
Is that correct?

We have been having rainy weather here.

Aunt Emma is returning from Cedar Rapids
this morning. Uncle Jim and Aunt Emma
expect to leave for San Francisco next
Sunday. There is a meeting of the Am. B. Soc. here.
there. ^{Mr. Truitt} is at home at present.

Think I shall return to Ames the end of
next week - (July.)

Sincerely,

Boa Hayden
