

C O P Y .

Ames, Iowa,
December 1, 1919.

Prof. L. H. Pammel,
College,
Dear Dr. Pammel:

The secretary of the college faculty advises me that Miss. Ada Hayden attended the meeting of the general faculty on November 17th. The secretary directs attention to the fact that only associate professors and up are members of the faculty. Miss Hayden has the rank of an assistant professor.

Yours very sincerely,

(Signed) S. W. Beyer.
