Dr. L. H. Pammel,  
Central Building.

Dear Doctor Pammel:

I am interested in yours  
of the 24th with copy of letter from Mr. Larsen  
to Dr. Hayden. Sorry it was necessary for  
them to have to ask her to carry on such a piece  
of work and at the same time to provide the  
necessary funds. But it is a high compliment  
to have her work so highly regarded, and we  
appreciate it.

Very truly yours,

  
President.
