

THE UNIVERSITY OF WISCONSIN
MADISON

DEPARTMENT OF BOTANY

7-A. Hayden
Bot
Cable, August 15, 1918

My dear Dr. Pammel -

I expect now to be in Madison
by the end of next week, and will then
return to you Dr. Hayden's manuscript.
From what you have told me of it, I
imagine that it will be best to make
two separate papers.

Sincerely yours,

C. E. Allen.
