Hayden

Dear Dr. Pammel: - Last fall I called your attention to the fact that I was without a desk or an office.

In the absence of the members of the morphology division, it was decided that I should use that room previously occupied by the morphology division, temporarily not in use, also that I should use one of their desks.

Miss Rees your assistant was provided for temporarily in the same manner.

I am hereby applying for Room 317 for Miss Rees and myself for an office. I am also in need of an office desk for this quarter.

March 18, 1919.

Very truly,

Ada Hayden.
