Miss Ada Hayden,

5627 Dorchester Ave.,

Chicago, Illinois.

Dear Miss Hayden:-

I am in receipt of your postal and two packages of plants. Thank you.

I have put the plants to press.

I should like some beech and chestnut for the class in forestry. It is possible I may want some other trees like the papaw and red bud if you can get them.

I am glad you are enjoying your work.

Thank you again. Every one is well.

Yours truly,
