Miss Ada Hayden,
St. Louis, Mo.

Dear Miss Hayden:-

Your favor of April 5th at hand. I shall be glad to keep you in mind and if ^{can do} ~~you asked~~ anything better for you than the five hundred dollars, I should be glad to do so. I could arrange two or three month's work for you this summer without any difficulty, if you would like to have me ~~to~~ do.

If I can give you a personal recommendation to any place you apply, I should be glad to do so at any time. Be free to call on me whenever you like.

Yours truly,
