Dr. L. H. Pammel: -
Iowa State College

Dear Dr. Pammel: - Your letter concerning the petition was received and I thank you for your kindness in recommending my extension as well as your notification concerning the action.

Enclosed you will find a check for \$7.50 for assistant, for the month of February. I sent for some checks on the American National but have not received them so will use a Houston check so as to cause further delay.

Very truly,

W. B. Hayden.
