January sixteenth,

1917.

My dear Miss. Hayden:-

We are in receipt of your favor of January fifth and also the specimens of oil cake, Spanish peanut, cotton oil, etc., and they have been put away to be used by the classes.

As I understand it, you have paid up everything to the end of this semester. The camera will be sent to you as soon as it is repaired. I am asking Miss. King to look after some of the other matters for you. I am glad to know that you are going to take up the ecological study of the oaks of the region you are now in.

As soon as I hear from your Uncle in Minneapolis I shall send the recommendation in.

Thanking you for your many kindnesses, I am,

Yours truly.

LHP/EMT.
