Miss Ada Hayden,
Ames, Iowa.

27/2

Dear Miss Hayden:-

I want to see you again before you leave for St. Louis. I want to name those plants for you and I was sorry to have missed you the other. I will be out of town for a few days but will be back Monday.

If I should not see you again, I want to express to you my thanks for the help that you have given to the Department and for the great pleasure it has been to have you with us.

Yours truly,
