

DR. HERBERT W. JONES
PILLSBURY BUILDING
MINNEAPOLIS

November seventh,
1 9 1 6.

Dear Dr. Pammel:--

I am writing in regard to Miss Ada Hayden, and consider her condition such that she should be relieved from work temporarily on account of her health. I think a good rest is necessary and hope you can see that she has it as soon as can be arranged.

Very sincerely yours,

Herbert W Jones
