

April fifth,

1917.

Miss. Ada Hayden,

Houston, Texas.

My dear Miss. Hayden:-

I received the check and photographs and wish to thank you very much for same. I would be very glad to receive any specimens which you wish to dry and send to us from Texas. Two or three hundred specimens would be a very welcome addition to the College Herbarium. I like the photographs very much. We may be able to enlarge some of these prints. With regards.

Yours truly.

LHP/EMT.

Dictated but not read.
