My dear Dr. Buchanan:

I am sending a letter from Dr. Gates
Roberts in regard to Miss Hayden. I thought you might like also
to have this letter.

Yours truly,

December sixteenth,

1916.

Miss. Ada Hayden,

Huston, Texas.

My dear Miss. Hayden:-

I am in receipt of notice of the action of the Finance Committee on December eighth, with reference to your absence. The last sentence was not added to my recommendation and was added by the Finance Committee. I called Dr. Buchanan's attention to this and of course, we will have to make a similar request for the next semester when the time comes. When the time comes you will need to file a statement from Dr. Shearer in regard to the matter. Personally, I want you to get entirely well.

Yours truly,

LMP/EMT.
