Dear Dr Parmelee
We called

at the Dept recently also
at the house but found
you were otherwise engaged
that afternoon.

Left the Plant driers
also Two one foot cylinders
that Ada had not used
in her work

I would like to pay
the Dept for the cylinders
we have here prefer to leave
them in the ground un-
til spring. Have taken
temperatures daily since
Ada left them until Nov

2

15-

We have here

4 1 foot Cylinders

2 2 " "

2 4 " "

Please include those sent
to St Louis also. Let me
know what they are worth
and will remit at once

yours truly
