209 S. Oak #122
Ames, IA 50810

I have very little to report for Summer:

Turkey Vulture 13 July eleven soaring over
Ames in a "kettle" - just west of
Brookside Park 9:45 AM CDT

Willow Flycatcher 7 June, 6, 12, 23 July one or two
at Doolittle Prairie

Bell's Vireo 7 June, 6, 12, 23 July one at
Doolittle Prairie

Tennessee Warbler 1 June 2 singing males at Brookside Park

Chestnut-sided Warbler 1 June 1 singing male at Brookside Park

I've been doing butterfly census from time to
time at Doolittle Prairie because someone who'd
worked for the DNR said they didn't think Royal
Fritillaries existed at Doolittle.
