Tom,

Happy to receive
the Records Committee
acceptance of the
Sprague's Pipit.

I'll talk with
Jan about writing
a article for I. B.
also a note on the
grassy area and plowed
field.

We most likely flushed the bird up out of the grassy area as we approached.

We were walking south on the east side of the fence, the bird flew away from us to the west into the plowed field.

Thank you,

Carolyn Fischer
