Dear Dr Halici

on Sunday Oct 24 6 P.M.
mile NE of Larches Ia I
saw a magpie (American)

I was with a few crows.
(I have seen a lot of magpies out west)

also on 10-23-76 I saw
a dozen or so Bonaparte
bills. I dont know how
rare they are to this part
also a Long Bill down there
Fellow ornithologist

Marion Brewer

P.S. I was alone at all times
