

OTTUMWA BIRD CLUB

The Ottumwa Bird Club met Thursday evening, October 1, at 7:30 in the Courier auditorium with 55 members present and President Charles C. Ayres, Jr., presiding and also giving the program of the evening.

The audience was delighted to share in his experiences with the birds of Colorado -- the wide range of species peculiar to Colorado -- his good fortune to take part in his ornithologists' friends' adventures. Such adventures would be a thrill to any bird lover.

Maude Norris, Sec'y.
