

OTTUMWA BIRD CLUB

The Ottumwa Bird Club met Thursday July 6th in the Courier auditorium with President Ayres presiding.

Tentative plans were made that the August meeting be held out of doors-- perhaps in a park-- and that members would be notified concerning the final plans at a later date.

The eighteen members present were rewarded by an interesting talk, "The Hummingbirds". Mr. Charles Ayres, Jr., very ably presented their value and charm.

Maude Norris, Secretary.
