

Ottumwa Bird Club
January 1945.

The Ottumwa Bird Club met January 4,
in the Courier Auditorium.

Lawrence (Jim) Voss gave a report
of the Christmas Bird Census which was
taken on December 24, 1944.

President Ayres conducted an "INDOOR
HIKE" using study skins of 48 species of
birds which were loaned to us by Jack
Musgrove, museum director of the Iowa State
Department of History and Archives in Des
Moines. This meeting was especially
enjoyed by those members who are not able
to go on the hikes.
