Father-

Just talked to Scott Rolfe and he passed along a few  
bird sightings for the summer season.

2 Osprey	mid-June	Big Creek L.
1 Franklin's Gull	26 July	Saylorville
27 Cattle Egrets	26 July	Moeckley Prairie

\*\*Small numbers were there all summer

He also said there is a meeting next thursday between  
the Corps and the DNR to discuss water levels at Saylorville  
this fall. Wish I could attend as both Farris and Cummings  
will be in attendance.
