Dear Tom;

I'm sending these a little early as we're leaving for Alaska the 29th. Details and documentation follow as noted in the species list. As usual, if you would like any additional information or documentation I'll gladly supply what I have.

Yours truly;

A handwritten signature in black ink that reads "Michael D. Overton". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Michael D. Overton
