Hello Iowa Birders --

This morning at Red Bird Farms Natural Area in Johnson County I had a surprising and striking male Black-throated Green Warbler, singing at regular intervals.

Other more ordinary types included 8-10 Northern Flickers, Yellow-bellied Sapsucker, 2 Brown Creepers, 6-7 Golden-crowned Kinglets; Fox, Swamp, and White-crowned Sparrows.

Also a lot of frogs and a few bugs, too.

Thanks,
Mike Dooley
