

RONALD HARMS, D. D. S.

LAURENS, IOWA 50554

9 August 85

The "Louis Bird Life" for June came July 31st.
Luckily I have no summer report to make by
August 1st.

Mention was made of ~~interest~~ in Northern Waterthroats.
The earliest one I caught & banded was 04-21-85
and the other one was 05-08-85.
