Dear Tom,

Enclosed find a brief Field Report for Fall, 1995, and a documentation of a Sabine's gull at Terra Lake in early September.

I hope these are useful to you, and aren't too late.

I have sent Jim Dinsmore an article about the kite nest in Des Moines. In addition to the article, I sent him a copy of my notes regarding the nest, as well as several photos. I asked him to forward this material (the notes and photos) to the records committee when he was done with it. If you haven't received this material yet and would like a copy of the notes, please let me know and I will send you a copy.

If there is any other information you need from me, please feel free to contact me.

Sincerely,

  
Phil J. Walsh
