

May 8 1991

Enclosed is the field list for the Audubon Society of Omaha's Spring Count for May 4, 1991. All sightings occurred in Pottawattomie County. The majority of the sightings came from Lake Manawa or the Loess Hills in the county. The Tricolor Heron sighting occurred at the Iowa Public Power settling ponds just south of Lake Manawa. Documentation is forthcoming from Jan Greer of Council Bluffs.

Sincerely,  
Jerry God

Audubon Society of Omaha's Spring Count, May 4 1991 only  
8 participants in Iowa.

OCCURRENCE REPORT for (First) (Last) half of 19      for Polk County

Reporter's name and address Jerry Toll 134 Carter Lake Club Carter Lake Ia 51510

Use the following abbreviations for the months: Ja, Fe, Mr, Ap, My, Je, Jl, Au, Sp, Ot, No, Dm.  
 In the Status column use P for birds which are present at all times of the year; W for winter birds; S for summer birds; M for migrants; A (accidental) for all others. For birds which you are sure are there, but for which you have no records for this season, put N. R. (not recorded) in the date columns.

(Northern P.)
