- ~~disksish~~ - abundant - many country roads  
in Jefferson Co. - one between every pole

Note - I didn't see my Pileated W.P. on April 23rd  
at Macoon Access. Did it not get on  
my list or do you need documentation?

- Also - you listed me for a Hooded Warbler  
at Walton Lake for the spring report. Sorry,  
(I wish) didn't get one this year
