

Field notes - Rob Thelen

Rob Thelen, Carroll, IA ^{entire}

Jim, I thought I would just E-mail the report to you.

- (1) Western Grebe: 1 on 7/24 at Blackhawk Lake Sac Co.
- ? - (2) Black Duck: Just wondering what you thought the 2 ducks at Harrier Marsh were on the 6/22. They stayed there for the month of July.
- (3) Semipalmated Plover: 1 on 7/17 at Harrier
- (4) Greater Yellowlegs: 3 on 7/17 at Harrier
- (5) Lesser Yellowlegs: 20 on 7/17 at Harrier
- (6) Solitary Sandpiper: 3 on 7/17 at Harrier
- (7) Spotted Sandpiper: 4 on 7/17 at Harrier
- (8) Upland Sandpiper: 3 on 6/24 in Southern Carroll County
- (9) Semipalmated Sandpiper: 8 on 7/17 at Harrier
- (10) Least Sandpiper: 30 on 7/17 at Harrier
- (11) Pectoral Sandpiper: 14 on 7/17 at Harrier
- (12) Short-billed Dowitcher : 4 on 7/17 at Harrier
- ? - (13) Common Tern: 5 on 7/11 at Riverton Fremont County
- (14) Black-billed Cuckoo: 2 on 7/5 at Boone Ledges
- (15) Pileated Woodpecker: Adult with young on 6/7 at Lower Boone Ledges
- (16) Eastern Wood Pewee: Adults feeding young on 7/17 at Lower Boone Ledges
- (17) Blue-Gray Gnatcatcher: 4 on 7/17 at Boone Ledges
- (18) Yellow-throated Warbler: 3 on 7/17 at Boone Ledges
- (19) Cerulean Warbler: 3 on 7/5 at Boone Ledges
- (20) Prothonotary Warbler: 1 singing male at entrance to Lower Boone Ledges
- (21) Summer Tanager: 2 males at Wabonsie State Park on 7/11
- (22) Blue Grosbeak: Singing males were seen at 2 locations in Boone and Carroll County. 1 location in Audubon, Greene, and Sac county. Higher number seen in West-central Iowa than most years. (Maybe I'm becoming more in tune to their song.)
- (23) Mississippi Kite: 1 on 6/7 and 7/5 at Lower Boone Ledges.
- (24) Broadwing Hawk: 3 on 7/17 at Boone Ledges.

Jim, I hope this works as my computer isn't working right. If this comes out OK let me know and I'll mail you a copy.

Thanks, Rob Thelen
