

Field Reports Summer 1999

*entered Karl Jungbluth*

Jim - I don't know if these people will report so I have taken these sightings from their e-mail messages to me. I have also included a Big-Bluestem tally which is very good and reportable.

American White Pelican	45	7-1-99	Big Creek S.P., Polk Co. seen by Wolf Oesterreich, Ames
Yellow-crown Night Heron	1	6-26-99	Des Moines river near I-35 /80 Polk Co. by Wolf
Red-breasted Nuthatch	1	7-12-99	near Boone at Karl Jungbluth's house
Sedge Wrens	3+	7-12-99	Dolittle Prairie by Paul Bystrak of Huxley
Veery	2	6-6-99	Ledges by Karl Jungbluth
Blue Grosbeak	2	7-18-99	near Karl Jungbluth's house near Boone
Scarlet Tanager	1	6-6-99	Ledges S.P. - Karl Jungbluth
