Dear Tom.

When I talked to you on the phone late last week I mentioned my report would be lengthy. Due to my tardiness in submitting this I'll only submit a few of my spring sightings.

- ✓ One eared grebe at Cid Lake remained there till the 31st (3/25-3/31) Wild turkey at Matsey Bridge 4/25
- ✓ 8 Hudsonian Godwits were resting and preening in the Northwest section of Coralville Res. on 5/13 with 180 Semipalmated Plover.

Pectoral Sandpipers arrived there on 3/29

- ✓ I found a drab colored presumably male No. Phalarope near Swan Lake on Coralville mudflats. Details if required. (5/13)
- ✓ Identified at close range (1) Com. Tern resting on a board near shore at Cedar Lake on 4/30. Easter Phoebe arrived 3/28 with ✓ Tree Swallows same day at Muskrat. (3)
- ✓ No. Mockingbird So. side of Cedar lake near Quaker outs sitting on junk cars 4/30
