**Record of Birds of North America
Not Included in Iowa List**

The front cover is left blank for Boy Scout Symbols and inscriptions.

There is pocket at the back for lead pencil.

Thumbed with left hand it presents the name of bird at the edge of the page and leaves the right hand free to record.

Thumbed with the right hand it is a note book.

Opportunity is given to record birds not on Iowa List.

This book will be given, at cost, to all Boy Scouts of Iowa applying through their Scout Commissioner.
