Dear Tom:

Following are my summer observations:

Canada Goose--6 near Montezuma on 26 Jul.
Cooper's Hawk--1 in Allamakee County on 14 Jun.
Am. Kestrel--3 during season in Poweshiek Co.
Caspian Tern--1 near Montezuma on 17 Jun.
Com. Screech Owl--4 during season in Poweshiek Co.
Chuck-will's-widow--1 near Montezuma on 20 & 21 Jun. *near Louisa*
Ruby-throated Hummingbird--none seen
Yellow-bellied Sapsucker--1 near Klondike on 1 Jun.
Veery--1 near Montezuma on 29 Jun; 2 in YRF on 19 Jul.
Eastern Bluebird-- 16 seen during season in Poweshiek Co.
Loggerhead Shrike--3 near Barnes City on 1 Jul; 1 in Poweshiek Co
on 6 Jul.
White-eyed Vireo--1 near Montezuma all summer.
Bell's Vireo--5 in Poweshiek Co during season; 2 near Barnes City on 6 Jul.
Yellow-breasted Chat--2 near Barnes City on 1 Jul.
Orchard Oriole--5 pairs in Poweshiek Co during season.

The Townsend's Solitaire sightings listed for Winneshiek Co., in your
birdbook writeup, were actually seen in Allamakee Co.

RE: IOU Records Committee; good idea, can serve, can meet at IOU fall meeting.

Sincerely,

Darwin
