There is not much news this week, but BUFF-BREASTED  
SANDPIPERS were seen at two locations, and a SANDHILL CRANE  
was in Bremer County.

In the northeast at Sweet Marsh in Bremer County, a SANDHILL  
CRANE was seen from the southeast entrance road in the  
meadow to the north. Also present there were VIRGINIA RAILS  
and BLACK TERNS, all on the 1st. In Linn County, two  
BUFF-BREASTED SANDPIPERS were in a field north of Palo along  
Palo Marsh Road near where Comp Road intersects, and  
FORSTER'S and BLACK TERNS were at Pleasant Creek State  
Recreation Area on the 26th.

In the central in Dallas County, five BUFF-BREASTED  
SANDPIPERS and one UPLAND SANDPIPER were along county road  
F-90 two miles east of Booneville on the 29th. In Polk  
County, WHITE PELICANS and CATTLE EGRETS were on the north  
edge of Des Moines north of I-80 near 54th Avenue on the  
31st.
