Hi Jim:

Thanks for sending the article on the Waterman Prairie. It must mean that you are well into cleaning out your files!

Here are my summer bird records:

Black-crowned Night-Heron: adults (2 on 5 Jun, 1 on 20 Jun) and a immature on 12 Jun at Mill Creek State Park.

Snow Goose: 4 near Wittemore on 6 Jun and one at Mill Creek State Park on 10 Jun.

Green-winged Teal: male at Cardinal M. on 13 Jun.

Solitary Sandpiper: one at Mill Creek State Park on 27 Jun.

Upland Sandpiper: one in Cherokee Co. on 16 Jun, 2 in Clay Co. on 20 Jun.

Olive-sided Flycatcher: one at Mill Creek State Park on 7 Jun.

Eastern Phoebe: nest with two young in O'Brien Co. on 17 Jul.

Loggerhead Shrike: one in Kossuth Co. on 13 Jun; 4 in Plymouth Co. on 21 Jul.

White-eyed Vireo: one on 14 Jun at Coon Creek W.A., Winneshiek Co.

Red-breasted Nuthatch: one in Yellow River Forest on 15 Jun.

"Lawrence's" Warbler: one in Yellow River Forest on 15 Jun.

Chestnut-sided Warbler: 2 males and a female on 14 Jun at Coon Creek W.A. Winneshiek Co.

Blue Grosbeak: a pair at Mill Creek State Park during the period.
