Season: _____

Wallace Jardine

Year: _____

SPECIES	NO.	DATE	LOCATION - COMMENTS - OTHER OBSERVERS
✓ Northern Parula W.	1	4-27	Sunken Grove, Pocahontas Co. ^(First county Record)
✓ Palm W.	2	4-24	Lizard Lake
✓ Kentucky W.	1	5-15	Sunken Grove ^{1. Black Malar patch First county Record} ^{2. Singing tray, tray, tray, tray}
Eastern Meadowlark	1	5-9	Boone Co. ^{1. Voice} ^{2. Visual (malar white)}
Rusty Blackbird	35	3-28	Sunken Grove
✓ Purple Finch	2	4-25	Ruthven Area
✓ Common Redpoll	1	4-1	Pocahontas, Iowa ^(Late) (Wallace Jardine)
✓ Hoary Redpoll	1	3-2	Laurens, Iowa ^{See photo} (Ron Harms)
<p>! Other reports from feeding stations in Pocahontas, were probably reliable. (I had visited each station several times to point out male-female and immatures - pointing out light individual which were not hoaries and going over the white rump - smaller beak - lower ^{unstreaked} tail coverts)</p>			
✓ Leconte's S.	2	4-24	Lizard Lake
✓ Northern Junco	2	4-30	Pocahontas (Late)
✓ Orchard Oriole	1	5-28	Pilot Creek, Pocahontas Co.
	1	5-15	Sunken Grove
