61 Standard Blocks are Completed

Conservatively, 275 total blocks are completed of 571 blocks worked in.

There are still many records not yet added to the computer file. Some forms have not been sent to us yet, but the status of the block has been recorded on the printout if known.

Carol,

Hope this helps some! I'm sure you are wondering what happened to us over here. Maybe Jim or Laura can explain it to you. We will send you the "appropriate" printout as soon as we have one. Please call if you have questions or comments. I will do what I can to help! Thanks for all your hard work, Carol! Sincerely,
Bruce
