

ANNUAL REPORT OF IOWA BIRDLINE
1993

	1993	1992	1991	1990	1989
Number of Calls	7995	7813	6572	5364	4767
Calls per week	154	150	126	103	91
Calls per day	22	21	18	15	13
Reports	658	722			
Reports per week	13	14			

During 1993, an update of the Birdline occurred once every 1.5 days.

In 1993, the Birdline was a significant source of new members for IOU.

As in the past, many calls about birds were fielded from the general public, and several came from the press.
