| ✓ Bohemian Waxwing            | I   | Feb. 1     | Iowa State Campus, Ames. Story Co. |
| ✓ White-winged<br>Crossbill   | 18  | Dec. 21-27 | West Union, Fayette Co.            |
| ✓ Common Redpoll              | 300 | Jan. 1     | Decorah, Winneshiek Co.            |

Eared Grebe—Thin bill, slim neck, gray cheeks and neck, and an abrupt head shape.

Bohemian Waxwing—With Cedar Waxwings, larger and darker than that species, with a rusty patch under tail, call rougher and buzzy.
