memo

date 18 Sept 1984

to Dave

from Bud Tordoff

Peregrine immature seen at Union Slough
NWR on Sept. 18, 1984. Reported by phone on Sept 18
to HBTordoff from John Sidle, USFWS, Fort Snelling,
Mn. Metal band seen on bird.

Rossuth Co.

We fledged 16 of 16 this year
if you're an optimist, 15 of 16
if you're a pessimist.

Mike :

For your information.

Good enough for "Reports" ?

Dave
