

TO KENT

Tom-- Thought you might also be <sup>interested</sup> ~~interested~~ in this...  
 Also, reviewed your winter field report and caught errors/ommissions that I made in Clark's Grebe (to Dec 14), 2000 L. Scaup on 13 Feb (should have included), and Coralville Ruddy Duck (had JLF only)

**Winter Birds 97-98**

Thayer's Gull	1(adult basic)	12/1-23/97	Red Rock Dam/Lake
	1(1st basic)	12/17-23/97	" "
	1(1st basic)	12/17/97-1/8/98	" "
	1(3rd basic)	12/18/97	Red Rock Dam
	2(1st basic)	2/25/98	" "

--- the two December 1st basic birds were very distinctive individuals, one small and dark and one large and pale (this bird will probably be IDed as an Iceland by some, see photos) which is why I have specific dates for the two

AARON BRES
